**Training Programme on Selection
Maintenance & Use of PPEs in
Industries & Workplaces '
(28th to 30th-May, 2025)**

पाठ्यक्रम के बारे में

Hazards and risk of accidents are always a threat in industries due to complex processes and inefficient controls that would allow the hazardous chemicals and physical hazards in working environment and surrounding locality. The employer and employee should know the Use and selection criteria of Personal Protective Equipments and also Industrial hygiene techniques to reduce the exposure. It is expected from the industrial management to provide adequate arrangements for their assessment. Therefore, Central Labour Institute, DGFASLI, Mumbai is conducting three days offline training programme. The objective of the training program is to create awareness among the participants about the Use, Selection criteria of Personal Protective Equipments to protect from chemical and physical hazards in the workplace.
