About DGFASLI and RLI Faridabad

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. Regional Labour Institute (RLI) at Faridabad is a subordinate office under the DGFASLI and caters to occupational safety and health in factories.

Programme Preamble

In today's dynamic industrial environment, preparedness for emergencies is crucial to safeguarding lives and assets. This training programme is designed to equip participants with the essential knowledge and skills needed to develop comprehensive On-site and Offsite Emergency Plans. Through a blend of theoretical insights and practical applications, the programme will guide attendees in identifying potential hazards, formulating effective response strategies, and ensuring compliance with regulatory requirements. This initiative aims to empower professionals to create robust emergency management frameworks, enhancing safety and resilience in their respective organizations.

Objective

This programme intends to equip participants with the knowledge and skills required to effectively develop and implement On-site and Offsite Emergency Plans, ensuring preparedness and compliance with safety regulations.

Course Highlight

- Introduction to National Policy on Safety, Health & Environment
- Evolving tailored On-site and Offsite Emergency Plans for specific hazards.
- Coordinating mechanism with local authorities and external agencies for comprehensive planning.
- Establishing clear communication and response protocols.
- Accompanying regular drills and simulations to test and refine plans.
- Ensuring compliance with relevant regulations and standards.
