

भारत सरकार श्रम एवं रोजगार मंत्रालय, केन्द्रीय श्रम संस्थान,मुंबई महानिदेशालय कारखाना सलाह सेवा एवं श्रम संस्थान (आईएसओ 9001: प्रमाणित संगठन) (WORK ENVIRONMENT ENGINEERING DIVISION)

Training Programme on
"Monitoring and Control of Physical
hazards in Industries'
(20 to 22 May, 2025)

पाठ्यक्रम के बारे में

Hazards and risk of accidents are always a threat in chemical as well as in engineering industries due to complex processes and inefficient controls that would allow the hazards in working environment and surrounding locality. The employer and employee should know to monitor physical hazards in industries to reduce its exposure. It is expected from the industrial management to provide adequate arrangements for their assessment. Therefore Work Environment Engineering division of Central Labour Institute is conducting three days offline training programme .The objective of the training program is to create awareness among the participants about the physical hazards for its monitoring and control in the workplace.

उद्देश्य

The objective of this program is to make aware participants over theoretical and practical aspects on Monitoring and control of physical hazards, its applications as tool in OSHE management and Hazard assessment at industrial workplace.
