**Training Programme on  
Identification, Evaluation & Control of  
Occupational Hazards Monitoring and  
Control in Industries, Ports &  
Construction Industries '  
(18<sup>th</sup> to 20<sup>th</sup>-June, 2025)**

### पाठ्यक्रम के बारे में

Hazards and risk of accidents are always a threat in industries due to complex processes and inefficient controls that would allow the hazardous chemicals and physical hazards in working environment and surrounding locality. The employer and employee should know the Identification, evaluation & control of hazards to reduce the exposure. It is expected from the industrial management to provide adequate arrangements for their assessment. Therefore, Central Labour Institute, DGFASLI, Mumbai is conducting three days offline training programme. The objective of the training program is to create awareness among the participants about the Identification, evaluation and control of chemical and physical hazards in the workplace.
