Awareness for Hazardous Process
Industries”
(17-19, June, 2025)*

ABOUT DGFASLI AND RLI KOLKATA

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. Regional Labour Institute (RLI) at Kolkata is a subordinate office under the DGFASLI and caters to occupational safety and health in factories located in Eastern and NE Regions.

ABOUT THE COURSE

Hazardous process industries often involve processes that could cause material impairment to health or environmental pollution. OSH aims to prevent work-related accidents and illnesses, and it includes identifying hazards, assessing risks, and implementing control measures. Raising OSH awareness is crucial for creating a safer and healthier workplace environment in hazardous process industries.

OBJECTIVE

This programme intends to provide the OSH awareness to the employees and employers of Hazardous Process Industries and its significant benefits to the industries, encompassing improved safety, reduced costs, and enhanced productivity.

COURSE HIGHLIGHT

- National Policy on Safety, Health & Environment at Workplace
- Occupational Safety and Health Management System – ILO Guidelines
- Statutory Provisions for hazardous process industries under the Factories Act, 1948.
- Industrial Health – Legal provisions
- Industrial Hygiene – Legal provisions
- Monitoring and control of hazards in hazardous process industries
- Ensuring compliance with relevant regulations and standards.
