प्रशिक्षण कार्यक्रम
"दुर्घटना कारण, रोकथाम और जांच"
(18-20, नवंबर, 2025)

DGFASLI और RLI KOLKATA के बारे में

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. Regional Labour Institute (RLI) at Kolkata is a subordinate office under the DGFASLI and caters to occupational safety and health in factories located in Eastern and NE Regions.

पाठ्यक्रम के बारे में

Workplace hazards have great potential to cause injuries, illnesses, or even death also. Every management of an industry is always taking best of their efforts to prevent accidents / incidents within their premises. Besides, the heavy costs due to accidents; it is a serious reflection on the standard of overall efficiency of those organizations where the accident rate persists at a high level. Accident Causation Analysis can help to figure out why an accident happened, and then prevent similar accidents from happening again.

After the training, the participant will be able to understand the fundamentals of Accident causation, Accident prevention methods and Accident Investigation techniques.

उद्देश्य

This programme intends to provide the knowledge about accident causation theories, accident prevention methods and accident investigation techniques and the management could ensure safe workplace by identifying and elimination of basic causes of an accident.
