

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Three days Training Programme on “Work Environment Monitoring at workplace “ 26th to 28th, Feb-2024

About DGFASLI & Central Labour Institute-Mumbai

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Central Labour Institute, Mumbai is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health.

Background

Hazards and risk of accidents are always a threat in chemical Industries due to complex processes and its exposure. This leads to affect the working environment and working population. Therefore it is duty of Management to control and minimize the hazards by doing work place environment monitoring as given under Section 7(A) of Factories Act-1948 . The objective of this programme is to high light Chemical and Physical exposure of hazards and its control by workplace environment monitoring to keep the workplace safe.

On completion of course, it is expected that participants shall be able to develop the management strategies for the Hygiene and Health protection of the workers, prevention of occupational diseases and better compliance of rules.
