### One Day Training Programme on “Effective Safety Management” 14<sup>th</sup> March, 2024 REGIONAL LABOUR INSTITUTE KANPUR

#### About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health. It has been functioning since 1963.

#### Background

Industrialization has brought within its wake several problems. One such is industrial accidents. With rapid advancement in industrial processes, newer types of hazards to life, limb and health increasingly introduced. In this process, Mechanical, Electrical, Chemical and Radiation hazards are increased in multiple times. Yearly, millions of employees are injured in factories due to accidents resulting into loss of man-hours. Many more are disabled for life. Besides, industries have to bear heavy costs due to accidents; it is a serious reflection on the standard of overall efficiency of those organizations where the accident rate persists at a high level. In this context “Effective Safety Management” plays very vital role to enhance overall safety performance of any industry. It will definitely help the management to effectively implement “Accident Prevention Programme” in Industries, Construction sites and at any work environment to eliminate the hazards and make work environment safe..
