DGFASLI & RLI Chennai

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places. The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance, services and capacity Building in the field of Occupational Health, Safety and Environment in the Southern Region.

Background

Workplace dynamics encompasses a balanced interaction between worker, the work and the ambient environment. Dust and Noise are considered as universal Hazards at workplace. Exposure to Dust and Noise and manifestation of related Occupational Diseases appear very late. Early identification and implementation of control measures are keys to worker protection from their exposure to Noise and Dust. This training program is intended to acquaint the participants with the methodology to develop and comprehensive and effective prevention program at workplace for Noise and Dust ensuring best productivity in the organisation and health among the employees.

Program Highlights

- National Policy on OSH & introduction to OSH&WC Code 2020.
- Statutory provisions related to Noise and Dust.
- Environmental Monitoring of Noise
