**Training programme on
“Occupational Health & Safety Audit”
(04th Nov 2024 to 08th Nov 2024)**

ABOUT THE COURSE

The workshop is very helpful to provide guidelines for verifying the existence and implementation of elements of occupational safety and health system in addition to ascertain the system's ability to achieve the defined safety objectives through establishing, planning, conducting and documenting of audits on occupational safety and health systems at workplace. It is sufficiently general in nature to permit it to be applicable or adaptable to different kinds of organizations. Each organization should develop its own specific procedures for implementing this standard and operational procedures, design guidance, audit programs and a host of other methods.

The programme aims at imparting knowledge on Occupational Safety and Health Audit systems as applicable to Hazardous Process Industries and Major Accident Hazard Units.

OBJECTIVE

The objective of this Workshop is to elaborate the concept of the OSH Audit which is carried out as per the requirement under IS 14489 and the various Legislative requirements such as the Factories Act, 1948 and the state Factories Rules, Environment (Protection) Act, 1986 and Rules made there under and other applicable Statutes.
