

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

**Half a day Online Training Workshop for
Small / Medium Scale Industries to Improve Productivity, Safety and Working Conditions.
31st August, 2020 (10.00 - 13.00 Hrs)**

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

Background

This Training Workshop has been designed to improve productivity and working conditions in small and medium-sized enterprises. It is based on extensive field experience and careful analysis of the real needs of owners and managers of small / Medium Scale factories. In order to encourage entrepreneurs to make concrete improvements on the shop-floor, it emphasizes training methods which build upon local experience and involve the participants in action learning. Based on the experience of hundreds of owners and managers of small and medium-sized enterprises who have participated in training programmes organized by the ILO. While sharing their skills and experience, these entrepreneurs learn how to take a fresh look at their own companies in order to apply tangible, low-cost, locally-appropriate measures.

Therefore, Central Labour Institute, DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

An overview of Safety concept and practices in MSMEs i.e. Material Storage & Handling, Work Station Design, Productivity & Machine Safety, PPE's & Control of Hazardous Substances, Lighting, Welfare Facilities, Premises and Work Organization etc.

Participants

Management personnel, Supervisors and Worker representatives employed in manufacturing and construction works. Only 50 participants will be accepted on 'first come first serve basis' to ensure quality learning.
