HALF A DAY TRAINING PROGRAMME ON SAFETY MANAGEMENT SYSTEMS IN WORK PLACE ACTIVITIES 14th September, 2020 (10.00 - 13.00 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

The Factories Act, 1948 as amended in 1987 lays emphasis on self – regulation control by the management in providing participation of workers and management in maintaining safety and health at work place through constitution of Safety Committee. Studies on workers participation in India have revealed that the goal of industrial democracy depends on the extent to which Safety Committee members are co-operative committed and have mutual trust. It calls for members to possess sound knowledge and skill for the effective functioning of the committee. The training programme is based on the objective that effective participation must be evolved at the shop or plant levels where the members feel the need and are able and willing to participate.

Therefore, Regional Labour Institute, Faridabad is providing online training platform for intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
