## Half-day Online Training Programme on “Occupational Safety and Health in Cement Factories” 23<sup>rd</sup> October, 2020 (10.00 – 13.00 hrs)

### About DGFASLI & Regional Labour Institute, Shillong

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

The Regional Labour Institute, Shillong is going to settling up with the objective of providing technical services for improvement of Safety, health and well- being of workers employed in factories and other industries of NER.

### Background

Safety is one of the vital issues in the success of the any industry. Safety programme ensures the worker to be mentally and physically prepared to execute a job quickly, fearlessly and efficiently. Working in a fearless, protected environment makes the team to be more productive and efficient. Factory legislation, Safety & Health Policy are the most important factors for industrial units, factories & industrial areas for creation of awareness, role of workers in safety, etc.. Safety and Health issue is one of the vital issues in the success of the any industry.

Therefore, Regional Labour Institute, Shillong under DGFASLI is providing online training platform for Intended participants to learn from their own place using mobile phone/ laptop/ desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
