Ministry of Labour and Employment, Government of India

HALF A DAY TRAINING PROGRAMME ON Hazard Identification and Risk Assessment (HIRA) 2nd December, 2020 (10.00 - 13.00 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It is also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

Prevalent hazards at workplaces that remain unidentified lead to injury to workers and property loss. Control measures applied on less significant hazards leads to uneconomical investment at workplace. Hence hazards at workplaces need to be identified and risk categorised and prioritised for applying control measures. The techniques of HIRA helps identify the significant hazards at workplaces and helps prioritize risk control measures.

Programme Preamble

The objective of this online training is to create awareness amongst employees to identify and contain various activity based workplace hazards and risks within an industrial set up that may have low injury but high frequency. Such an assessment and evaluation needs to be followed up with extensive documentation of risks and hazards present within an industrial environment, their causes, associated consequences and risk and hazards containment recommendations.
