Ministry of Labour and Employment, Government of India

HALF A DAY TRAINING PROGRAMME ON SAFETY WITH HAND AND PORTABLE POWER TOOLS 15th December, 2020 (10.00 - 13.00 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

Tools are such a common part of our lives and it is difficult to remember that they may pose hazards. Tragically, a serious incident can occur before steps are taken to identify and avoid or eliminate tool-related hazards.

By establishing a program on hazards & safety associated with hand and portable power tools, one can help avoid injuries to workers, costly damages, and statutory penalties.

Programme Preamble

This program is designed to present to employees and employers a summary of the hazards, basic safety procedures & safeguards associated with hand and portable power tools. Employees should be trained in the proper use of all tools. Workers should be able to recognize the hazards associated with the different types of tools and the safety precautions necessary. Therefore, employees and employers should work together to establish safe working procedures.

TOPICS

- Hazards associated with hand and portable power tools
- Control of Hand and portable power tool hazards
- Case studies
