**Half a day Online Training Programme on
Safety in Handling of Material in Industries
27th November, 2020 (10 00 – 13 00 Hrs)**

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

Good Material handling is important because it will help in eliminating accidents. If proper & careful material handling is applied, accidents can be prevented and eliminated.

Therefore, Regional Labour Institute, Kanpur under DGFASLI is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

The objective of the programme is to generate awareness among the participants about the safety of material handling at workplaces so that the participants can effectively contribute in the industries for the management of the hazards related to material handling.

Participants will be able to understand

- Safety in material handling at workplaces.
- Safety in the Use of Cranes and Lifting Gears
- Stacking & Storage of materials
