

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half-day Online Training Programme on Medical Surveillance for Prevention of Occupational Diseases 12th January, 2021 (10 00 – 13 00hrs)

About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health. It has been functioning since 1963.

Background

No worker should sacrifice his or her life for livelihood. Occupational health, hygiene and safety practices in the industries are of utmost importance for sustainable development. The occupational health physicians, safety professionals, executives, supervisors who are working their best for industrial growth, should be trained and skilled enough to protect themselves and fellow workers from different kind of occupational diseases. So, understanding of medical surveillance for prevention of occupational diseases should be there among the health and safety professionals working in any industry or port.

Therefore, Regional Labour Institute, Kanpur under DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

The programme aims at imparting knowledge and skill on fundamental understanding of medical surveillance system for prevention of occupational diseases among the participants. Participants will be able to understand

- Medical Surveillance System for prevention of Occupational diseases
- Statutory Provisions Related to First-Aid, Ambulance Room, Ambulance Van, Occupational Health Centre, Hygiene, Welfare in Industry and Port.
- Hierarchy of Control for prevention of Occupational diseases
