

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half day Online Training Programme on “Accident Prevention & Loss Control at Work Place” 20th January, 2021 (10.00 - 13.00 hrs)

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

The prime aim of management of any industry is to maximize the profit through an effective loss control management. There is every need of Safety, Health & Environment (SHE) Management system for control of losses through prevention of accidents, dangerous occurrences, occupational diseases. During The process of manufacturing, any injuries takes place resulting into casualties / disabilities, it indicates failure on the part of the management. Industrial management's prime duty to the nation is that they should take maximum efforts to save human lives by preventing accidents and injuries and hence the injuries prevention programme in every industry is essential.

Therefore, Central Labour Institute, DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
