

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “Accident Causation & Prevention” 03rd March, 2021 (10.00 - 13.00 hrs)

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

Management is the act of getting people together to accomplish desired goals and objectives of organization. Safety professionals, at all levels, should have a thorough understanding of management principles, theories and technique to achieve desired goal with all safety measures.

Accident investigations are a huge responsibility for safety professional and in order to do this, the safety professional should have a thorough understanding of the cause of accidents. There are several modern and scientific theories concerning accident causation.

Therefore, Regional Labour Institute, Chennai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

- Overview of modern Accident Prevention Theories.
