“SAFETY IN HANDLING OF LIFTING APPLIANCES & LOOSE GEARS”
11th February, 2021 (10.00 - 13.00 hrs)**

About DGFASLI & RLI Chennai

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

The Regional Labour Institute ,Chennai one of the subordinate offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health ,Safety and Environmental in the Southern Region.RLI Chennai also organizes training programs, conduct courses on OSH.

Background

The majority of Factories and Ports use some kind of Lifting Appliances (LA) and Loose Gears (LG) for Material Handling. Though the use of LA & LG is an important element, sometimes faulty selection, inadequate strength, patent defects, poor operating practices, etc. may cause serious accidents resulting in injury, fatalities, damage to plant and equipment or other facilities. To prevent such unwarranted events, it is pertinent that users of these equipments are familiar with the various requirements relating to the design, construction, testing and examination, maintenance and safe operation of the equipment. These equipments are also required to be periodically examined and tested as per the provisions under Factories Act / Rules & Dock Workers(S, H&W) Act / Regulations. In consideration of the above, this Institute is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of Covid 19 pandemic situation/preventive measures.

Programme Highlights

- ❖ Safety in Manual / Mechanical Handling
