

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

HALF DAY TRAINING PROGRAMME ON Industrial Hygiene for Hazardous Process Industries 12th February 2021 (10.00 - 13.00 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It is also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

In the work environment, workers are exposed to a variety of chemicals, which may be in the form of solids, liquids, or aerosols. The identification and assessment of the hygienic importance of the main environmental agents, in terms of their associated health effects, expected frequency of occurrence and degree of exposure, as well as the estimated number of potentially exposed workers can be understood through this training programme.

Programme Preamble

The industrial hygiene & its planning will serve as a guide for the control of health hazards related to chemical and physical agents within workplace. This programme has been established to guide industrial safety and hygiene professionals to assess exposures to chemical, biological and physical agents, provide for the safe use of respiratory protection and other personal protective equipment.

TOPICS

1. Industrial Hygiene fundamentals on Exposure,
2. Chemical, Biological & Physical Monitoring
3. Industrial Hygiene Plan
