

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on

“ACCIDENT INVESTIGATION SYSTEMS”

15th FEBRUARY, 2021 (10.00 - 13.00 hrs.)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai one of the subordinate office of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

In a competitive environment any management would like to have more profit and higher productivity not only for their survival but also for their growth. The company executives, including the operating personnel want to be assured that there is well managed and the losses are controlled. Accident are costlier to any management, in order to ensure safety, Health and welfare of the workforce in the organization and to work free from hazardous environment and to ensure protect them from accidents and diseases that may contacted during their employees. Accident Investigation and reporting system are effective techniques to assess the above objectives. Occupational Safety and Health of the working community should be ensured to protect them from accidents and diseases.
