

DIRECTORATE GENERAL FACTORY ADVISE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “Workplace noise and Hearing Conservation Programme” 19th February 2021 (10.00 - 13.00 hrs)

About DGFASLI & RLI Chennai

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Subordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

Noise is among the commonest workplace hazard. Noise at workplace has diverse effects on workers health. Continuous working in high noise area without any protection may lead to the phenomenon of Noise induced hearing loss (NIHL). The commonest form Hearing protection programs are in form of providing Hearing Protective Devices. As effectiveness of HPDs are user dependent an integrated approach in form of Hearing Conservation program is needed for success of Hearing Protection Program. This training program is intended to impart basic understanding on legal aspects of workplace Noise, Physiological effects of Noise and to discuss the integrated approach for implementation of Hearing Conservation Program at workplace.

Program Highlights

- Statutory Provisions related to Occupational Noise Exposure
- Health Effects of Noise and screening
- Hearing Conservation Program.
