

# DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

## Half-day Online Training Programme on Recent Updates in Occupational Health Practice for Factory Medical Officers 24<sup>th</sup> November, 2021 (10 00 – 13 00hrs)

### About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health. It has been functioning since 1963.

### Background

Occupational Health science is a very dynamic subject in terms of changes in diagnosis & treatment protocols, based on recent scientific evidences. Continuing Medical Education is an important medium to keep updated in the field of occupational health.

One of the keys to preventing diseases is adequate immunization of the workforce against various illnesses that can be prevented. Globally, vaccine-preventable diseases (VPDs) are targeted very effectively at the workplace through a consensus approach on vaccination at the workplace. So, recent updates related to prevention of diseases through immunization should be disseminated among the occupational health practitioners to build a healthy workforce in India.

Therefore, Regional Labour Institute, Kanpur under DGFASLI is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

### Programme Highlights

Participants will be able to understand

- Recent Updates in Occupational Health Practice
- Role of Adult Immunization in Occupational Health
