**Half day Online Training Programme on
“Evaluation and Control of Industrial Noise”
18th October, 2021 (14.30 – 17.30 hrs)**

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It is also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

The level of noise in an industrial operation can constitute a physical hazard to the exposed workers. Noise must be an important aspect of hazard identification. The frequency of the noise to which the worker is exposed and the type of noise i.e. whether continuous or intermittent both are hazardous in nature above the threshold values. All these factors must be considered when determining if a noise hazard exists.

Therefore, Regional Labour Institute, Faridabad Haryana is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of Covid 19 pandemic situation/preventive measures.
