DGFASLI & RLI Chennai

Directorate General of Factory Advice Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

A confined space is a space with limited entry and egress and not suitable for human inhabitants. Among various types of hazards in confined space often include harmful dust or gases, asphyxiation, submersion in liquids or free-flowing granular solids, electrocution, or entrapment. To effectively control the risks associated with working in a confined space, a confined space hazard assessment and control program should be implemented. This training program is intended to create awareness with regard to assessment of Hazards, planning & mitigation of risk for better control in the confined spaces in industries and ports.
