

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “Hazards With Welding Operation” 14th October, 2021 (10.00 - 13.00 hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

Background

Industrial Hygiene is an essential component of the Occupational Health Programme as well as Industrial Safety. It is a chief goal, to prevent occupational diseases or injuries through recognition, evaluation, and to control all industrial workplace pollutants/stresses. Welding operations are common operation in many of the industries, and there are over 50 different welding processes. Health hazards associated with welding operation include exposure to welding fumes, gases and to ionizing radiations. Fundamental of Industrial hygiene such as recognition, evaluation and control of hazards can be effectively use t mitigate hazards associated with Welding operations.

Therefore, Central Labour Institute, DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

- Hazards associated with welding operation
