

DIRECTORATE GENERAL FACTORY ADVISE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “Safety in chemical Industries” 5th November, 2021(14.30 – 17.30 hrs.)

About DGFASLI

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Subordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

Day by day our human life is more and more depending on chemicals and hence chemical Industries are inevitable in our society. It is not possible to avoid operating chemical industries and at the same time they can be operated safely by identifying and controlling its hazards. In order to achieve above objective, it is very much essential for plant operating personnel to enrich their knowledge in emergency controls, hazard identification and its control, MSDS, SOP, Safe storage and handling of chemicals and storage vessels and their safety aspects. In view of this, The Regional Labour Institute, DGFASLI, Chennai, is organizing online training programme to enhance participant's knowledge on safety in chemical industries.

Programme Highlights

- ❖ Type of chemical hazards and its controls
