

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

HALF A DAY TRAINING PROGRAMME ON Communication System for Chemical Risk Management 2nd December 2021 (14.30 – 17.30 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It is also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

In the work environment, workers are exposed to a variety of chemicals, which may be in the form of solids, liquids, or aerosols. In order to ensure chemical safety in the workplace, information about the identities and hazards of the chemicals must be available and understandable to workers. Hazard Communication Standard (HCS) requires the development and dissemination of relevant information for industrial safety.

Programme Preamble

Hazard Communication Techniques will help stakeholders to evaluate the hazards of the chemicals that they produce or import. It will also guide them to prepare labels and safety data sheets to convey information to downstream people. Stakeholders will learn the basics of safety data sheets and labels which is an integral part to mitigate effect that arises due to exposure of chemicals.

TOPICS

1. Hazard Communication Mechanism
2. Material Safety Data Sheet basics
3. Hazard Labels

Participants

This training is being organized for safety professionals. The number of participants to be enrolled for this course will be up to 50 only on first come first serve basis.
