DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half-day Online Training Programme on Heavy Metals Poisoning 21st December, 2021 (10 00 – 13 00hrs)

About DGFASLI & Regional Labour Institute, Kanpur

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places. Regional Labour Institute, Kanpur is one of the oldest institutes in India under DGFASLI, Govt. of India, for teaching, training and consultancy in the field of occupational safety and health. It has been functioning since 1963.

Background

No worker should sacrifice his or her life for livelihood. Occupational health, hygiene and safety practices in the industries are of utmost importance for sustainable development. Harmful chemical substances are common in manufacturing, construction, and service-sector workplaces. Often workers perform activities involving these substances, resulting in inhalation, ingestion, and dermal and ocular exposures. The Safety Officers, Supervisors, Executives, Factory Medical Officers, Medical Officers, Nurses and other paramedical staffs, who are working their best for industrial growth in construction sector, should be trained and skilled and updated enough to address different issues related to occupational heavy metal poisonings at workplace.

Therefore, Regional Labour Institute, Kanpur under DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

Participants will be able to understand

- Health Effects of Occupational exposure to heavy metals
- Medical Management of heavy metal Poisonings
- Applicable statutory provision for prevention of Occupational Poisonings at workplace.

Participants

This programme is designed for Safety Officers, Executives, Factory Medical Officers, Nurses and paramedical staffs, first aiders working in any industry. **Only 50 participants will be accepted on 'first come first serve basis' to ensure quality learning.**
