

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

“HALF A DAY ONLINE TRAINING PROGRAMME ON OCCUPATIONAL HEALTH HAZARDS & THEIR PREVENTION AT WORKPLACE”

16th November, 2021 (14:30 – 17:30 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational health and safety in factories and docks. It also advises factories on various problems concerning health, safety and environment efficiency and well - being of the persons at work places.

Background

Millions of workers worldwide incur Occupational Diseases due to long time exposure to health hazards at their workplaces. Occupational hazards can encompass many types of hazards, including chemical hazards, biological hazards (biohazards), psychosocial hazards, and physical hazards.

Programme Highlights

Every organization strives for creating safe environment at workplace involving all areas of activities related to productivity and services. However, there are incidences of workplace health hazards and injuries. Worksite health promotion programs have been shown to result in economic benefits both for the employer and employee. Participants will be explained about:

- ❖ Occupational Health Hazards at Workplace
- ❖ Health impacts of prolonged exposure to Health Hazards
- ❖ Compliance procedures and preventive measures.

Participants

Central Labour Institute, DGFASLI, Mumbai is providing online training platform for Intended participants to learn at their own place using mobile phone/ laptop/ desktop (with webcam, microphone & speaker) in view of COVID-19 preventive measures.

Medical officers and other professionals engaged in Health Care & Safety of the workforce from Factories, Ports, Construction sites and State Enforcement Agencies may participate in this programme.
