## Half a day Online Training Programme on “Respiratory Protection in Industries ” 18<sup>th</sup> November, 2021 (10.00 - 13.00 hrs)

### About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

### Background

Use of Respiratory Protection such as Dust Respirator, Chemical Respirator, etc. as a Personal Protective Equipment (PPE) has considerably been increased in industries to protect their workers from exposure of different air borne contaminants such as Hydrocarbon, Gases, dust and asbestos fibres etc. to safeguard from health hazards. It is very much understood that the degree of protection that these devices can provide greatly depends on the quality of such PPE available along with effective use, selection and maintenance of the same at the work place. To ascertain quality of Respiratory Protectors, they shall be meet the specification as per relevant standard laid down by Bureau of Indian Standards.

Therefore, Central Labour Institute, DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
