

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

HALF A DAY TRAINING PROGRAMME ON WELDING SAFETY 18th November, 2021 (10.00 - 13.00 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

Safety is the number one consideration when it comes to jobs like welding. Welding can be very hazardous to a welder if he or she is not wearing the proper safety gear or taking the proper safety procedures. When welding a number of things could go wrong from explosions and gases and fumes to electrical shocks, burns and more.

Programme Preamble

The objective of this programme is to describe welding hazards and procedures that can be taken to avoid injuries in welding industries.

Programme Highlights

- Importance of welding safety with safety rules
- Safe work practices for welders
- Welding hazard and safety risks
- Health risk from welding
- Ventilation measures
- Safety precautions with PPE

Participants

This training is being organized for middle and higher level management personnel engaged in factories/construction/ports. The number of participants to be enrolled for this course will be up to 50 only on first come first serve basis.
