Ministry of Labour and Employment, Government of India

**Half day Online Training Program on
“Health Issues in Power Tool Operations”
24th November 2021 (14.30 - 17.30 hrs.)**

DGFASLI & RLI Chennai

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

With development of technology, the tools have made working in industries faster and smoother. Power tools and Material Handling have ensured rapid transit of materials and pace of operations. With availability of these tools workers are now more exposed to vibration at workplace. Vibration as a significant workplace hazard is gradually becoming more recognized hazards. This training program is intended to make aware the participants on this emerging workplace hazard and develop a systematic approach to tackle this hazard and prevent occupation related diseases at workplace.

Program Highlights

- Health Hazards in Power tool operations.
- Statutory Provisions and Vibration Monitoring.
- Medical Surveillance and Health Promotion in Power Tool Operations.

Participants

OHS professionals, safety Supervisors and above working in Industries and construction units. Only 50 participants will be accepted on or before 22nd November 2021 up to 5:00 p.m. on ‘first come first serve basis.
