Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “Industrial Hazards, Accidents and their Remedial measures at Workplace” 26th November, 2021 (14.30 - 17.30 hrs)

About DGFASLI

We are an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

In this highly competitive industrial age the entire world is manufacturing and producing large array of products including chemicals and other similar substances. There are other industrial processes which are potentially very hazardous and great risk to the workers. The industries involved in manufacturing products have high speed moving machineries, pneumatic, hydraulic and electrical systems, hazardous substances etc which if not handled as per SOP may lead to industrial accidents. There are other industrial hazards too which are potential causes of accidents and hence the presences of hazards and associated risk may be known to the worker at the workplace to keep them better equipped with knowledge and prepared to handle the accidental scenario in an efficient way.

Therefore, Central Labour Institute, DGFASLI Mumbai is providing online training on “**Industrial Hazards, Accidents and their Remedial measures at Workplace**” for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
