Ministry of Labour and Employment, Government of India

Half a day Online Training Program on “Computation of Safety Performance Rates in Industries and Ports” 09th December 2021 (10.00 hrs – 13.00 hrs.)

About DGFASLI & RLI Chennai

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Subordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

Safety performance rates are important components in a continuous strive for improved efficiency. It is however not enough only to assess and measure safety performance, but these activities should be integrated in the management systems to ensure that actions are initiated.

Measurement is a key step in any management process and forms the basis of continual improvement. If measurement is not carried out correctly, the effectiveness of the health and safety management system is undermined and there is no reliable information to inform managers how will the health and safety risks are controlled.

Therefore, Regional Labour Institute, Chennai is providing online training platform for Intended participants to learn Safety performance measurement from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures
