DGFASLI & RLI Chennai

Directorate General of Factory Advise Service & Labour Institute is an attached office of the Ministry of Labour & Employment, Government of India. This office serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well-being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

Background

- Hot work can create significant hazards that put workers, those around them, and the premises itself in danger. In particular, it can pose a major fire risk. A stray spark from certain hot work, such as welding or gas cutting, can easily ignite combustible materials and cause serious harm to the workers involved.
- This training program is intended to discuss the Accident prevention technique in regard to health & safety at the worksite by developing the bestsafety culture at workplace.
