Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “MANAGEMENT OF CHEMICAL HAZARDS IN INDUSTRIES” 12th JANUARY, 2022 (10.00 - 13.00 hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

Industrialization is the backbone of prosperity any developed or developing nation. The different processes are involved in the industries to produce desired materials. A huge manpower is involved in the processes. It is to appreciate that the engaged personnel are exposed to different of work environment pollutants which are usually a source of inefficiency among the workers in due course. The work environment pollutants i.e. air-borne chemicals may dwindle the skill of the workers. A good management will always keep attention on the area for sustainability. This can be achieved by identifying environmental aspects, legislative requirements and establishing a structured program for the safe environment of the workmen.

Therefore, Central Labour Institute, DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
