Ministry of Labour and Employment, Government of India

**Half a day Online Training Programme on  
“Personal Protective Equipments”  
17<sup>th</sup> January, 2022 (14.30 - 17.30 hrs)**

## About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

## Background

Personal protection equipment (PPE) holds a privileged position in safety interventions, despite the fact that they should only be used as a last resort. Though the use of personal protective equipment (PPE) in the workplace is a critical aspect of an overall safety program. Various studies and surveys show that there is not always consistent or proper use of PPE, and that can lead to workplace injuries.

A Comprehensive PPE program is essential which requires commitment and active participation at the planning, development, and implementation stages from all levels including senior management, supervisors, and workers. A effective PPE program consists of these essential elements: Hazard identification and risk assessment, selection of appropriate controls, selection of appropriate PPE, fitting, education and training, management support, maintenance, auditing of the program

Regional Labour Institute, Kolkata DGFASLI is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
