

## DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

### HALF A DAY ONLINE TRAINING PROGRAMME ON "Impact of Occupational Health Hazards at Workplaces" 15<sup>th</sup> February, 2022 (14:30 – 17:30 Hrs)

#### About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational health and safety in factories and docks. It also advises factories on various problems concerning health, safety and environment efficiency and well - being of the persons at work places.

#### Background

The working environment and the nature of work itself are both important influences on the health and well-being of working people. Linked to psychosocial risks, issues such as work-related stress, workplace violence and harassment are widely recognized as major challenges to occupational health and safety, and more broadly public health.

There is strong and growing evidence to indicate an association between work-related health complaints and exposure to psychosocial hazards, or an interaction between physical and psychosocial hazards, to a wide array of health outcomes for the individual worker and the organization.

#### Programme Highlights

The ILO list of occupational diseases, updated in 2010, covers mental and behavioural disorders, including post-traumatic stress disorders (PTSD)"

Participants will be explained about:

- ❖ Psychosocial hazards and risks
- ❖ Assessment of psychosocial risk factors
- ❖ Exposure to psychosocial hazards
- ❖ Workplace interventions for reducing the risk & exposure

#### Participants

Central Labour Institute, DGFASLI, Mumbai is providing online training platform for Intended participants to learn at their own place using mobile

phone/ laptop/ desktop (with webcam, microphone & speaker) in view of COVID-19 preventive measures.

Medical officers, Safety Officers, Managers and other professionals engaged in Health Care & Safety of the workforce from Factories, Ports, Construction Sites and State Enforcement Agencies may participate in this programme.
