## DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

**“HALF A DAY ONLINE TRAINING PROGRAMME ON  
“Prevention & Treatment of Noise Induced Hearing Loss at Workplaces”  
5<sup>th</sup> JANUARY, 2022 (14:30 – 17:30 Hrs)**

### **About DGFASLI**

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational health and safety in factories and docks. It also advises factories on various problems concerning health, safety and environment efficiency and well - being of the persons at work places.

### **Background**

Millions of workers worldwide incur permanent Noise Induced Hearing Loss (NIHL) due to long time exposure to noise at their workplaces. Continuous hearing of noise beyond safe limit can cause permanent hear loss. Workers who are exposed to 8-hour time-weighted average (TWA) noise levels of 85 decibels (dBA) or above must undergo hearing conservation training annually. Awareness should be created among workers about the harmful effects of noise on hearing and other body systems by implementing compulsory education and training programs.

### **Programme Highlights**

Occupational exposure to excessive noise is the major avoidable cause of permanent hearing impairment. Worksite health promotion programs have been shown to result in economic benefits both for the employer and employee. Participants will be explained about:

- ❖ Standards and Hazardous noise level,
- ❖ Health impacts of prolonged exposure to high noise levels,
- ❖ Audiogram interpretation,
- ❖ Preventive & Treatment measures.

### **Participants**

Central Labour Institute, DGFASLI, Mumbai is providing online training platform for Intended participants to learn at their own place using mobile

phone/ laptop/ desktop (with webcam, microphone & speaker) in view of COVID-19 preventive measures.

Medical officers, Safety Officers, Managers and other professionals engaged in Health Care & Safety of the workforce from Factories, Ports, Construction Sites and State Enforcement Agencies may participate in this programme.
