

# DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on  
“Excavation Safety at Construction Site”  
28th January, 2022 (14.30 - 17.30 hrs)

## About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

The Regional Labour Institute, Chennai, one of the Sub-ordinate Offices of DGFASLI, has been rendering technical assistance and services in the field of Occupational Health, Safety and Environment in the Southern Region. RLI Chennai also organizes training programs, conduct courses on OSH.

## Background

Excavation work presents serious hazards to all workers involved at construction site. Cave-ins pose the greatest risk and are more likely than some other excavation-related incidents to result in worker fatalities. The consequences are significant as the falling earth can bury or crush any person in its path resulting in death by suffocation or internal crush injuries.

Therefore, Regional Labour Institute, Chennai is providing online training platform for Intended participants to learn Excavation safety from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

## Programme Highlights

- Overview on Excavation and Statutory Provision
- Excavation hazard identification and Assessment
- Excavation Safety

## Participants

Safety Professional, Supervisor who are involved in process, production, operations & maintenance, Safety Committee Members and Middle level managers. Only 50 participants will be accepted on ‘first come first serve basis’ to ensure quality learning.
