Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on “The occupational Safety and health in MSMEs” 31st January, 2022 (14.30 - 17.30 hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

MSMEs are considered the backbone of Indian economy. They contribute substantially to supplies and services to the large industries in both Government and Private sectors. The operation in these MSMEs involve several processes, many of them are hazardous in nature and pose risk if appropriate steps are not taken timely. Safe operational management is a key to ensure smooth production and optimized profits. Hence, MSMEs must pay attention to the safety and occupational health requirements as provided in statutes as well as implement obligatory steps for ensuring improved overall health of the resources including human, machine and materials.

By dissemination of good workplace practice, training of employees, development of simple but proper risk-assessment tools and guidelines, access to affordable and good-quality prevention services, financial incentives can help to reduce the hazards involved in MSMEs

Regional Labour Institute, Kolkata DGFASLI is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
