Ministry of Labour and Employment, Government of India

Half a day Online Training Programme on Safety in working with Machinery

25th January, 2022 (14 30 – 17 30 Hrs)

About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

Machine can help improve production efficiency in the work place. Any machine part, function or process that cause injury should be safe guarded. When the operation of a machine may result in a contact to the operator or others in the area, the hazards should be removed or controlled.

Therefore, Regional Labour Institute, Kanpur under DGFASLI is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.

Programme Highlights

The objective of the programme is to generate awareness among the participants about the Machine safety so that the participants can effectively contribute in the industries for the management of the hazards related to Safety at workplaces.
