**Half a day Online Training Programme on
“Safety measures in pressure plant and vessels”
25th January, 2022 (1430-1730 hrs)**

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

The explosion of pressure vessel is the result of lack of awareness on the various aspects of safe operation and maintenance procedures of pressure vessel. Effective measures shall be taken on safe working pressure. Examination and test of pressure vessel are also required as safety measures. Hence, The Factories Advice Service Division, DGFASLI Mumbai is providing online training platform for interested participants to learn about safety measures for pressure plant and vessels from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of Covid-19 pandemic situation/preventive measures.
