About DGFASLI

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It is also advises factories on various problems concerning safety health, efficiency and well-being of the persons at work places.

Background

Safety audits and inspections are an important risk identification techniques to ensure the wellbeing of the workforce. Safety Audit is a systematic, objective and documented evaluation of the occupational safety and health systems and procedure and it is continuous process to ensure the safe and healthy workplace.

Programme Preamble

The IS:14489:2018 standard establishes audit objectives, criteria and practices, and provides guidelines for establishing, planning, conducting and documenting of audits on occupational safety and health systems at workplace.

It provides guidelines for verifying the existence and implementation of elements of occupational safety and health system and for verifying the system's ability to achieve defined safety objectives.

It is sufficiently general in nature to permit it to be applicable or adaptable to different kinds of organizations. Each organization should develop its own specific procedures for implementing this standard.

TOPICS

The Engineering Aspects of the Audit;
