

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half a day Online Training Programme “Accident prevention and Loss Control Programme” 19th January, 2022 (14.30 hrs - 17.30 hrs)

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health (OSH) in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at workplaces.

Background

An accident prevention and Loss control program is a proactive process to help employers find and fix workplace hazards before workers are hurt. This program can be effective at reducing injuries, illnesses, and fatalities. Many workplaces have already adopted such approaches. Not only do these employers experience dramatic decreases in workplace injuries, but they often report a transformed workplace culture that can lead to higher productivity and quality, reduced costs and greater employee satisfaction.

Therefore Central Labour Institute, DGFASLI, Mumbai is providing online training platform for interested participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of the Covid 19 pandemic situation/preventive measures.

Programme Highlights

- ❖ Overview of Accident prevention and Loss Control Programme including Safety Audit
- ❖ Hazard identification and Risk Assessment
- ❖ Accident reporting, investigation and analysis
