HALF A DAY ONLINE TRAINING PROGRAMME ON ACCIDENT REPORTING, INVESTIGATION AND ANALYSIS 22nd February, 2022 (14.30 - 17.30 Hrs)

About DGFASLI & RLI, Faridabad

We are the DGFASLI an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. The Regional Labour Institute at Faridabad is a subordinate office under the DGFASLI and caters to occupational safety and health in factories in the northern part of the country.

Background

Accidents at workplaces have an impact on the economy of the industries including direct as well as indirect costs. Majority of the accidents are primarily caused due to 'human error' which is many times attributed to lack of awareness and lack of the proper safety culture.

Reporting of accidents are to be ensured through a systems approach so as to investigate and implement the remedial measures to prevent re-occurrence. This program is intended to help the industry managements in setting up a system of accident reporting and the methodology of its investigation and analysis.

Programme Preamble

This program is designed with the objective of assisting the industry managements for developing a reporting mechanism for accidents and is intended to provide guidance on the investigation and analysis of the accidents to establish the root causes to help identify the system failures for improving the safety performance of the industry.

Programme Highlights

- Objective and importance of accident reporting
- Process of investigation and analysis of accidents
- Applicable statutory provisions for accident reporting
