About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at work places.

Background

As it is well known that most of the workplace accidents are due to either unsafe acts of the workers or unsafe conditions existing in the workplace. The unsafe conditions may be addressed with scientific approach; however, the unsafe acts can be dealt with proper training, orientation and behavioral control. The Behavior based safety is one such approach which is very effective in prompting the participation of workers for their appropriate involvement in hazard identification, risk assessments and determination of controls, thus making the workplace safer and healthier. It can also be called as accident/injury prevention approach. It focuses on safe behaviour which can contribute to injury prevention.

Therefore, Central Labour Institute, DGFASLI Mumbai is providing online training platform for Intended participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of COVID-19 pandemic situation/preventive measures.
