

DIRECTORATE GENERAL FACTORY ADVICE SERVICE AND LABOUR INSTITUTES

Ministry of Labour and Employment, Government of India

Half- day Online Training Programme on “Measures for prevention and control of Major accidents in Factories” 24th January, 2022 (14.30 hrs - 17.30 hrs)

About DGFASLI

DGFASLI is an attached office of the Ministry of Labour & Employment, Government of India and serves as a technical arm to assist the Ministry in formulating national policies on occupational safety and health (OSH) in factories and docks. It also advises factories on various problems concerning safety, health, efficiency and well - being of the persons at workplaces.

Background

The potential for major industrial accidents, which has become more significant with the increasing production, storage and use of hazardous substances, has emphasized the need for a clearly defined and systematic approach to the control of such substances in order to protect workers, the public and the environment. This training programme has been designed to provide inputs to all those who are engaged in control of major hazards in Factories and Ports.

Therefore Central Labour Institute, DGFASLI, Mumbai is providing online training platform for interested participants to learn from their own place using mobile phone/laptop/desktop (with webcam, microphone & speaker) in view of the Covid 19 pandemic situation/preventive measures.

Programme Highlights

- ❖ Overview of Statutory Requirements in Hazardous process industries and Ports including Emergency Planning.
- ❖ Safe Management of hazardous chemicals including measures for prevention and control of Major accidents in Factories and Ports
- ❖ Occupational Health and Safety Audit

Participants

The programme is suitable for Supervisors, Safety Managers, Safety Officers, Safety Auditors, Safety professionals and Plant Engineers connected with Hazardous process industries and Ports.
